

Energy

Africa Specialty Risks (ASR) provides comprehensive, bespoke risk mitigation solutions to local and global customers across the African continent giving them the confidence to grow their businesses sustainably.

ASR is backed by Helios Investment Partners fund IV and benefits from their extensive reach across Africa.

Africa Specialty Risks

Protecting Africa

Energy

We provide innovative insurance products for the Energy industry. Our policies are designed specifically to meet the needs of your business, backed by the expertise and experience of industry experts.

Within Energy we can offer Facultative support for the following products:

- > Proportionally - Quota Share, Surplus, Loss limits
- > Non-proportionally - Excess of loss or Primary layers

We provide reinsurance capacity for operational All Risks, Property Damage, Machinery Breakdown and Business Interruption coverage.

Risk engineering is at the heart of our underwriting and risk selection strategy.
